| Monday – Friday | 5:00 a.m. - 6:00 p.m. |
| Saturday | 7:00 a.m. - 5:00 p.m. |

Fixed Route Boarding - Stand at a marked bus stop sign along fixed routes (Rogers DT, Rogers Super Center, Zero, Towson, Midland & Grand) and SIGNAL the driver as the bus approaches. After boarding, place the correct fare, ticket or voucher in the fare box.

Please inform the driver of your requested destination and select a seat. The seats marked "priority" should be reserved for passengers with limited walking capabilities. (*Route map printed on inside*)

Transfers - Transfers are defined as deboarding one fixed route bus for another at any of our designated transfer locations. Prior to transferring, drivers will issue a pass which will enable you to continue to your destination without further charge. If you are uncertain which bus to board for your final destination, the driver will be happy to assist you. Transfer passes are free, nontransferable, nonnegotiable and valid for immediate transfer only.

Bicycles - Bike racks are available for transporting bicycles. Racks are on the front exterior of all fixed route buses and hold up to two standard, two wheel non-motorized bicycles. Cyclists are responsible for loading and unloading their bicycles. FST assumes no responsibility for any damage to bicycles that are not secured properly for travel. Instructional video is available for viewing on our website.

Paratransit Services for the ADA Disabled - Paratransit services offer curb-to-curb boarding and deboarding for individuals qualified as disabled through the Americans with Disabilities Act. ADA certification must be obtained through the transit office by completing the appropriate application. Temporary ADA eligibility may be granted until approval of the final certification. For an ADA application or if you need more information, please contact the transit office at the number provided.

Demand Response - Demand response is curb-to-curb service for travel to or from areas outside the fixed route network.

Equipment and Disabled Services - All FST buses are lift equipped for mobility devices or step-ons and contain the appropriate restraint devices to assure securement. Service animals are permitted on FST buses. If you have a special need please advise the dispatcher when scheduling your ride(s). Some disabled persons may be eligible for paratransit service. Call the transit office to obtain an application and information. When scheduling paratransit or demand response, please ensure we have the most recent information on file.

Fort Smith Transit Mission Statement

It is the mission of the employees of the Fort Smith Transit Department to provide safe, efficient, affordable, prompt, friendly, professional and clean public transportation to improve the quality of life for the citizens of Fort Smith, Arkansas.

TIPS FOR RIDERS

- *Seat belts are required on buses with padded seating. Passengers traveling in mobility devices must also wear lap belts.*
- *Non-Alcoholic beverages are allowed on the bus but must be in a spill proof container*
- *Eating is not allowed in any FST vehicle.*
- *It would be helpful to carry the ride guide with you when using the system.*
- *Be ready to board when the bus arrives and have your fare in hand.*
- *Children seven (7) years of age or younger must be accompanied by a passenger twelve (12) years of age or older.*
- *Reduced Fare Cards must be presented to the driver to receive the benefit of reduced fare.*
- *Drivers will provide reasonable assistance when boarding & deboarding.*
- *Please contact the transit office should you need special assistance.*

A separate brochure titled “Fort Smith Transit Passenger Regulations” provides riders with detailed information regarding passenger rules, expectations, and limitations of FST service.
